FT. BRAGG IS WELL PLEASED WITH MARSHAL

John Barney's Cleanup Of City Receives Much Praise

CONDITIONS SHOCKING

Three Offenders Were Taken By Officer In Short Time

After having entered a plea of guilty to the charge made against him by the state, George D. Titus, who recently conducted The Sweet Shop in Fort Bragg, was sentenced by Judge Thompson, acting for Judge H. L. Preston, to from one to 25 years in states prison.

Now In Penitentiary

Immediately after being sentenced the convicted man was taken to San Quentin and has already commenced serving his term.

Full facts in possession of District Attorney Hurley show Mr. Titus' frightful treatment of his 16-year-old daughter has been extending over a period of five years.

Proud Of Their Marshal

Fort Bragg people have telephoned and written The Press expressing their appreciation of City Marshal John Barney. The News in its last issue says of Marshal Barney's work: "That such cases of moral depravity as have been exposed in Fort Bragg during the past week can secretly exist and fester in any community is truly deplorable, and that such exposures have to be made is equally regrettable, but when the surgeons finds a festering sore on the human body it is often necessary to resort to the knife in order to eliminate it and bring about a cure, and a similar proceeding must occur when rottenness is found in the social body.

Has Caught Three

"The work of City Marshal John Barney in the Titus and Fox cases, along with his work some time ago in the "Blackie" Davis case, is deserving of more than passing commendation at the hands of all right-thinking people, and The News believes the majority of the people of Fort Bragg are right-thinking. True, Mr. Barney is an officer of the law, and as such is naturally expected to do his duty, but how often, in cases similar to those mentioned, is such duty neglected?

Took Long Chance

"In making the arrest in the Titus case, Mr. Barney took more than ordinary chances of being greeted by a bullet, as few men in the position of Mr. Titus would hesitate to shoot, if by so doing their chances of exposure were lessened, and as Mr. Titus probably would have done had his nerve anywhere nearly equalled his depravity. In the Fox case, while the danger of bodily harm was probably less, nevertheless a man must be pretty well imbued with the idea of doing his whole duty to enter a room under such circumstances, when he could just as easily look in the other direction and forget his suspicions of wrong-doing."

Mr. and Mrs. I. Hamberger, who own Hamberger's Waist Shop in San Francisco and have a branch establishment in Oakland, were in Ukiah Sunday and enjoyed a short stay at their ranch in Redwood Valley.

MUST STAND TRIAL

Hull Sherman, who was arrested here for having a stolen car in his possession, will probably face a forgery charge in Marshfield, Oregon, when he reaches there. It appears Mr. Sherman had been separated from his wife 10 months ago and that, immediately prior to coming here, he made up with her and, stating he had purchased a car, suggested she accompany him to California. The check he used to buy the car, seemingly was taken from the checkbook of a man for whom he had worked and the name of the employer was forged to the check. It is understood efforts to have the matter settled without prosecution have failed.

UKIAH HI TEAM WILL MEET ARCATA SOON

Boys From Here To Go By Machine To The North

Owing to the fact Willits will not be able to send a representation to the tournament under the auspices of the state teachers' college at Arcata Thursday, Ukiah, as second champions of the northern section of the C. I. F. will take their place.

To Drive Up

The local boys, under W. A. Chessall, athletic director, will leave Thursday morning. Wednesday evening Ukiah basketeers of the high school will meet the Fort Bragg team at Cleland's hall. The game was made possible by the presence of the coast team in this city Wdnesday evening on their way to Arcata. The game will be called at 7:30 at Cleland's and local fans are promised an interesting game.

Played Here Thursday

Thursday evening the two basket ball teams of the Ukiah high school met the teams from Upper Lake. Ukiah won in the unlimited game by a score of 17-16, the game being decided by a successful foul throw in the last few minutes of the game. In the 130 lb. contest Ukiah won by 13 to 8.

Heavy Traffic Will Flow Through Ukiah

Harvey M. Toy, Chairman of the California Highway Commission, was here Saturday. Mr. Toy was accompanied by a party going north over the Redwood Highway on a tour of inspection. Mr. Toy assured local people the road from Crescent City to Grant's Pass would be made passable this year, and that as rapidly as possible, the entire Redwood Highway would be put in first-class condition. Mr. Toy predicts 90 percent of the north and south travel will pass over the Redwood Highway and through Ukiah when this road is completed.

PROBATE MATTERS

In the estate of Margaret Neckritz, Wm. Wallace and Ed. Buchanan letters of administration have been applied for.

GOT A LICENSE

A marriage license was issued in Santa Rosa Monday to Darrell Victor Borges and Marie Isabelle Diaz, both of Fort Bragg.

ASKS DIVORCE

Lucy Moore is suing Ralph Moore for a separation in superior court.

VERY LIGHT

Up to late yesterday afternoon the registration for the coming primaries showed the following registration: Republicans 1255; Democrats, 533; Socialists, 14; Prohibitionists, 11; not stated, 47.

COOLIDGE HAS THE POWERFUL STATE BACKING

Administration Forces Stand Solidly By The President

GREAT GATHERING HELD

Locally And In The Bay City Loyalty Is Strongly Seen

Answering a call previously issued a representative body of citizens of this part of the county met at The Cecille Hotel Saturday afternoon and organized a Coolidge for President Club.

Much Enthusiasm Shown

Attorney M .H. Iversen, who has been active in creating Coolidge support hereabouts, was selected chairman and Attorney K. C. Eversole was named secretary. Addresses telling of political conditions in Texas, Utah and in Southern California were made, all showing a falling away from Senator Johnson. President Iversen made a strong talk, relating the fact the Teapot Dome scandal was merely a political smudge being used by the democrats to try and injure President Coolidge. The democrats, Mr. Iversen said, knew all of the facts a year ago and had done nothing until the eve of the election when the sensational hearings were started.

Told Over And Over

All of the facts connected with the case have come out and are merely being rehashed now for campaign issues. The effort, Mr. Iversen declared, had not, nor would it, materially hurt the chances of President Coolidge's re-election.

Stand By President

Strong resolutions approving of the conduct of the Coolidge administration and pledging support in the campaign to President Coolidge were passed.

At State Convention

M. H. Iversen and C. M. Mannon returned home from San Francisco where they attended the Coolidge convention. Both state the gathering represented 100 per cent attendance and sincerity.

Pledged to the nomination of Calvin Coolidge for President of the United States at the 1924 Republican national convention, a ticket of 29 delegates from California to the party meeting next June in Cleveland was selected Monday afternoon by the Coolidge Republicans assembled from all sections of the State at a conference held at the Hotel St. Francis in San Francisco.

More than 100 delegates from the 11 Congressional districts of California and twice as many alternates and supporters of President Coolidge participated in the naming of the delegation which will go on the May 6 primary election ballot as the President's ticket.

LOCAL CITIZEN HONORED

Prize For Talk At Bay Gathering Awarded Robt. Austin

When more than 100 advocates of civic betterment met at Oakland recently, coming from every section of the state, a prize was offered by Arthur Ramage Co. for the most suitable talk made at the meeting. Robert Austin, of the Mendocino County Chamber of Commerce, was a guest and, upon being asked to make an address, did so and so well was his effort received the prize was bestowed upon him. Mr. Austin's words were, of course, one strongly praising the virtues of Mendocino county.

STOCKMEN DISAGREE

Suit For Division Of Property Commenced By Local Cattlemen

After having been engaged in stock-raising at Dos Rios for some time under the firm name of Jamison and Huber, C. W. Jamison has begun an action in superior court by which he would have the property owned by himself and Mr. Huber divided. Stating that he has been unable to get a settlement with his partner and that he wishes to sever his connection with him. Mr. Jamison has asked the court to make a division of their interests and end the partnership.

BACK IN OLD PLACE

Councilman Dimmick Will Again Be Connected With Palace Hotel

On the first of the coming month R. E. Dimmick will assume his old position as clerk at the Palace Hotel. Mr. Dimmick up to three years ago held the position he will again assume and proved himself very popular with the traveling public.

WILLITS SENT FUN CREATORS FOR OCCASION

Band Benefit Lacked Nothing In The Merit Line

EVERYONE WAS PLEASED

Good Will Of Willits Praised Without Stint By All

"Hands Across the Hill" a slogan used several years ago in a campaign to unite Ukiah and Willits in a co-operative spirit, was never more strongly emphasized than on Tuesday of last week when the Willits municipal band, orchestra and the entire cast of the play "The Man From Mexico" came to Ukiah along with many boosters from the northern city to aid in the cause of music in Ukiah.

Cleared About $200

The high-class entertainment offered by Willits resulted in a fund of about $200 being cleared for the maintenance fund of the Ukiah band. The delegation arrived at 2:30 o'clock and was met and welcomed by a committee from the local Chamber of Commerce.

Gave A Concert

At three o'clock the visiting musicians presented a delightful program in the court house plaza where a large crowd had gathered. At five o'clock the visitors, to the number of 80, were banqueted at the I. O. O. F. hall by the Junior band of Ukiah after which speeches were made by Hale McCowen, Jr., Ralph Duncan, president of the Willits Chamber of Commerce and A. B. Guslander, head of the Willits Municipal band. A second concert was staged in the courtyard at seven o'clock when St. Clair Moore, Willits band leader and director, conducted a half hour of music.

Comedy Was Enjoyed

Promptly at 8:15 the farce-comedy "The Man From Mexico," was presented. The play was greatly appreciated by the people of Ukiah. Each of the members of the cast did their best to make the production a great success. The entire play was produced under the direction of Frank Clayton, well known actor on the Pacific Coast and New York stages. The play was one of the best produced in Ukiah and Willits actors received an ovation that was a due recognition of their ability and genius in a community abundantly able to appreciate art when they see it. The grammar school aduitorium was filled to capacity. Approximately 600 persons attended the play. Jack Kirkpatrick, secretary of the Ukiah Chamber of Commerce, announced he wished to thank Willits in behalf of the Ukiah Chamber of Commerce for the offer that was made them to boost the Ukiah band. A flashlight picture of the entire audience and players was taken by W. Gordon Bendore, photographer of Willits.

AGAIN SEPARATED

Second Attempt To Live Together Fails And Action Is Commenced

In superior court this week Elizabeth Huber has started separation proceedings against her husband, Robert Huber, a rancher, and in her complaint asks for a division of the property owned by her husband and herself. Mrs. Huber states that on a prior occasion she left her husband because of his alleged cruel treatment of her, but that she was induced to return by promises Mr. Huber made. These promises Mrs. Huber says, her husband has failed to live up to. Among other charges made against Mr. Huber by his spouse is that, on frequent occasions, he threatened to kill her.

COMING HOME

Deputy Clerk Will Not Play Professional Ball This Season

While many hoped Beverly Broaddus would make good in his tryout with the San Francisco professional baseball team and will be sorry to know that he has been dropped, others will be glad to know Mr. Broaddus is to come back and assume his position in the courthouse. Although Beverly Broaddus is a rattling good amateur player, he was not quite up to the requirements of professionalism.

DANCE AT CAMP INNIS

Dance lovers will be afforded an exceptional opportunity to enjoy their favorite pastime Saturday evening, March 1 when the Carroll Trio will furnish the muisc for the opening dance at Camp Innis. The opening of the popular resort is always attended with much local interest and many automobile parties are being made up for the dance. 39-1p.

Miss Luella Williams left Sunday for the bay cities following a visit at the Seth Williams home.

SENTIMENT AROUSED

A situation which Anderson Valley people insist should be terminated is alleged to exist. A woman, whose husband is now in prison and who has a large family, it is claimed, is living with and supporting a man who is, so the story goes, the father of at least one child by her. Not only this, but the man in the case, it is stated, makes no pretense at making a livlihood and lives off a monthly allowance which Mendocino county gives the woman and her children. Pity is expressed for the woman, but indignation is strong in the case of the man and the sentiment is that he should be forced to go to work and make provision for caring for his offspring.

WHOLE FAMILY HURT WHEN AUTO UPSETS

Brakes Are Put On Too Quickly And Car Turns Over

Following having passed the day at Willits and while hurrying home Sunday evening a Dodge car driven by L. Cambot and occupied by Mr. and Mrs. Cambot and two daughters turned over on the State Highway a short distance above town.

All Were Injured

The machine turned over and skidded for about 25 feet and, striking the ditch beside the highway, turned completely around, facing Willits and standing upright on its wheels. Mr. Cambot sustained a broken jaw. Mrs. Cambot's injuries are the most serious of the lot, she having sustained a broken collar bone, dislocated shoulder and, it is feared the pelvis bone was broken. The two girls each suffered minor injuries, the elder having a broken arm.

At the time of the accident the machine was moving rapidly and, the surmise is, the brakes were put on too hard.

All of the family are at Langland hospital and resting fairly comfortably, but the case of Mrs. Cambot is being watched carefully and considerable concern is expressed about her.

Fisherman Drowns Crossing Noyo Bar

C. J. Lowell, a fisherman living at Noyo, was drowned Thursday morning just outside the Noyo bar, while attempting to save his fishing launch in a high sea. On Wednesday Mr. Lowell had been out in the launch fishing for rock cod, and upon coming in was unable to cross the bar into the river, so left the launch anchored outside. Thursday morning a high sea was running and the launch was in danger of being swamped, so Mr. Lowell attempted to reach it in a row boat. When near the launch the small boat was swamped, but Mr. Lowell was washed onto the launch and attempted to bring it in. The vessel was partly filled with water, but he succeeded in getting the engine started, but after lifting the anchor he was washed overboard and his body swept out to sea.

Enroute To Florida

Everybody on this train is going to Palm Beach, via the Seaboard Air Line. A solid row of twelve Pullman cars left New York via the Pennsylvania Sunday evening at seven-five, with everything full.

Back in your little room. You study the map, and realize that these pilgrims of fashion all testify to unseen wisdom. They are taking their money to be spent in developing a magnificent State. They will return to make known a marvellous climate, the wonderful land of Florida, with its sensible, industrious people, the land that in years to come will be a great garden for the nation, a marvelous playground in Winter for millions of real workers, the permanent abode of contented, prosperous tens of millions.

The train travels along the edge of the Atlantic, carrying its precious freight, of which 98 per cent would be about as useful in heaven as it is on earth. Philadelphia, Washington, Richmond, fly past, and Jacksonville, that one day may be greater than all of them, as the seaport of a southern empire.

A young Czecho-Slovakian, assisted by all the people in his town, is working at the problem of transmitting power without wires. Whoever solves that can command hundreds of millions for himself and endless billions for the world. Waterfalls could run machines hundreds of miles away, and airplanes fly with power taken through air, through earth plants.

Ethel Jaeger entered public school at six and in eighteen months did three years' work, advancing from one class to another rapidly. In addition the child took piano lessons and studied classic dancing. The little girl will be praised, the father and mother will be proud. But that is false education.

A child with a superior mind should be held back. Children would be better off as a whole if allowed to devote their first ten years to outdoor exercise, and learning through their eyes, not teaching them even to read until ten or twelve years of age.

Ramsay MacDonald, British Labor Prime Minister, gives up one of two $25,000 salaries to which he is entitled.

The English have brains enough to pay well men to whom they give important jobs. This makes it unnecessary for oil companies or others to pay them after they L E A V E office —for services rendered while I N office.

Good news is that General Motors, big automobile making company, broke all records last year, selling $698,000,000 worth of cars. Many Americans are getting fresh air that didn't use to get it, plus the health that comes from fresh air.

Nevada killed Gee Jon, Chinese tong murderer, with hydrocyanic gas. Mr. jon, according to guards, "wept a little as he was placed in the chair." His tears seemed to ask, "Why pick on me?"

Doctors says death was painless, but they don't know. Gee Jon lived six minutes after he began breathing the deadly gas. Where is he now? Somewhere in space telling Confucius about it?

If Government insists on killing, it should kill as savages usually do, choking with a rope, cutting off the head or in some other savage fashion.

Science and scientists should not be disgraced in the operation. Ten thousand years hence this will be spoken of as an age that used to hang, shoot, asphyxiate, kill with electricity and then foolishly expect criminals, with the undeveloped minds of children, NOT to imitate a murderous example set by government itself.

In a race against American cars at Stockholm, last week, a Swedish car driven by Swedish motor alcohol, beat all the American cars. The latter used gasoline imported from the United States.

That's good news. Unlike oil wells, the supply of alcohol never can give out. We could get enough alcohol out of corn stalks in the United States, and other vegetable matter, to run all the machinery of the United States. There is power inexhaustible. And the inside of an explosive engine is the right place for alcohol, not the inside of a man.

NEW POSTMASTER'S FRIENDS GREET HIM

Major A. R. Thomas Was Appointed In His Absence

Major A. R. Thomas and family returned Tuesday from Salt Lake, where they went to visit Major Thomas' father, former Governor Thomas. Governor Thomas had not been well for some time and the visit was made in order that Governor Thomas might see his grandchildren.

Told Of Selection

While in Salt Lake the appointment of Major Thomas as postmaster of Ukiah was made and, since returning Major Thomas has been kept busy accepting the congratulations of his friends here, who are elated over his selection and certain he will make a very excellent official.

Soon To Take Office

Confirmation by the senate will probably take place within the next week or so and Major Thomas will then take over the postoffice. All of the employes are under civil service, hence there will not be any changes in the local force, all of whom are faithful employes and Major Thomas is indeed lucky in having so competent a corps of assistants to work with.

SLOWLY SINKING

Condition Of Bank Wrecker Is Steadily Becoming More Hopeless

Word from San Quentin is "Jack" Weller, who wrecked the two Fort Bragg banks a year ago, is gradually getting weaker in the hospital at San Quentin penitentiary. While it is problematical just how long the convicted bank wrecker can live, the general opinion is death is not far off. Strong opposition developed to the attempt to have Mr. Weller paroled and, it is thought, no effort will again be undertaken to obtain a parole and the Fort Bragg man will, in all probability, die in prison.

BROUGHT HOME

Tommie Prather, the 16-months-old son of County Clerk and Mrs. W. H. Prather, has been brought home after an operation for appendicitis. While the little fellow is not out of danger, it is believed he will recover from the unusual surgical ordeal he underwent.

BETTER FERRY SERVICE

Bay Carriers Plan On Taking Care Of Heavy Summer Traffic

Preparing for a heavy tide of automobile travel to Northern California, the Golden Gate Ferry company has announced its summer schedule, effective April 1, 1924. The announcement follows: "Effective April 1, 1924, Golden Gate Ferry company will operate practically a continuous service The first boat will leave Sausalito at 4:30 a. m., and San Francisco, foot of Hyde street at 5 a. m.

"The last boat will leave San Francisco, foot of Hyde street, at 1 a. m. Another ferry will operate 16 hours daily and three will operate Friday, Saturday, Sunday and Monday, giving on those four days practically 20-minute service during the rush hours. Extra trips will be made according to the requirements of the service and the needs of the motorists."

IS IMPROVING

F. E. Anker who recently underwent two serious operations, is slowly gaining and, hope is, he will, before very long, be fully restored to health.

Mr. and Mrs. A. R. O'Brien are home after a short stay at the San Francisco Auto Show.

Clair Elledge Makes Fine College Record

Mr. and Mrs. George Elledge of this city have received word from the State University of Arizona covering reports on the semester's work done by their son, Clair Elledge, well known young man of this city who left here last autumn to enter the university as a Freshman following his graduation from the local high school. Out of a class of 400 Freshman students the young man was the only one to receive all 1's in the semester's work. The subjects in which young Elledge received his high marks included Spanish, Botany, English and History. The young man's high standing is a distinct credit to his splendid scholorastic ability and reflects great credit on his preparatory work in the Ukiah high school.

Mendocino Coal Mines To Open In Early Spring

Active steps in the fields of mining coal in the mines of Mendocino county will be taken in the spring. The work now being done is on the Thomas property, consisting of more than 1,000 acres. During the winter the principal efforts were to the extent of keeping the holdings well drained so as to facilitate output of the product during the spring and summer. The Thomas holdings were recently sold to a company headed by J. Cal Ewing, owner of the Oakland baseball club. It is believed the original owners retained an interest in the venture, which may be the means of changing the coal situation on the Pacific coast. As the coal has been analyzed as a high grade fuel, experts point out that the only problem is transportation. This, however, is not believed to be a big obstacle, as the coal holdings are only six miles from the Northwestern Pacific Railroad.

The *Public* (through the Railroad Commission) fixes the rates, which are made to cover "costs," including *taxes.*

The *tax matter* deeply affects every customer of the Company, because *taxes are a legitimate expense in the cost of doing business and are reflected in the rates for service.*

During the years of 1920, 1921 and 1922, the P G and E paid $9,515,216.00 for taxes, or an average of about $8,689.70 per day, being 20 per cent of its net revenue.

Money saved to the Company in taxes from efficiency in government—City and County, State and National—can be saved to the consumers in rates.

Poem by Uncle John

I ride to my sanctum on pneumatic wheels. . . . A costly sedan brings me home to my meals. . . . On magical tires I peramble an' skip, and, I'm never fateeged at the end of my trip. . . . I ride to the office—I ride to the store,—I don't need to think of my "Trilbys" no more. . . . All muscular effort or physical stress, is—chewin' my hash, and, conversin' I guess! Yet, I recollect back to need-cessity's day, when "hoofin' it" was the dependable way. . . . It saved the annoyance of saddlin' a hoss,—an' we shortened the distance by cuttin' across. . . . Didn't matter a dang how a feller was dressed — nor whether he's shaved, or his breeches was pressed! But—there weren't no dyspepsy, nor janders, nor gout,—nor wiggly-tailed microbes to worry about! Comparin' results has inspired my belief—that the upholstered rider is flirtin' with grief. . . . I sense the disaster that Indolence brings—by settin' on feathers—or velvet an' springs!

THE TRUTH
"—is also found in frank confession of error"

The Republican Press will be glad to receive and publish corrections of inaccuracies in its columns.

MUCH IS POLITICS

PEOPLE who read the daily newspapers these days—all filled with reports regarding the Teapot Dome scandal—should not overlook the fact that, while some of the acts already brought out cannot be, in any manner, approved, a lot of the stories circulated are for political reasons only. Quite naturally President Coolidge has refused to order men out of his cabinet simply because Senator Walsh, or some other partisan democratic senator, has claimed they should be dismissed. The executive has maintained proof of misconduct should be forthcoming, and he is quite right in so doing. If cabinet members, or subordinates in the branches of higher offices have been guilty of wrong doing, they should go and President Coolidge will see that they do go, not because it is good politics, but because his sense of justice so dictates. There is one thing to say about the fight the democrats are making: There is, after a fashion, some justification for Democrats trying to break up the Republican party, because they are enemies of the Republicans, but one can hardly find words to use in setting forth the contempt felt for those alleged Republicans who are joining with the Democrats in their bush-whacking. The whole country knows the renegade republicans are out first and last for themselves only.

LET'S GET TOGETHER

THAT was, indeed, a neighborly spirit shown by Willits when its band came down here and put on a theatrical benefit for the Ukiah Municipal Band. It showed a desire on the part of Willits to pull together with Ukiah. It really broke the ice. There is no use in Ukiah entertaining any spirit of petty jealousy, or of Willits doing so, either. Mendocino county is large enough for all of us to prosper and we ought to intermingle more than we do. Our baseball team should play Willits, we should see that our school athletes compete with those of Willits. We should visit Willits more frequently and cultivate the good feeling Willits has shown she feels towards us and, when they strike oil at Willits the whole town of Ukiah should declare a Holiday and go up and partake of the big chicken dinner Willits, will, of course, provide.

TIME TO IMPROVE

IT will not be very long now before Spring cleaning will be in full swing. It's the time, then, to paint up, fix your yard, repair the fence and bad spots about your house, get your lawn in shape and see that the roses are trimmed and the homesite generally beautified. It also is the time when, because an elaborate system of pedestal lights are to be installed in the business section of Ukiah, merchants should get active in making their store fronts attractive. If the sign on your window is indistinct, give the sign writer a job. Where the entrance to your place of business is weather beaten and uninviting, one day's work of the painter will provoke marvels. If there is a bad spot in the sidewalk, give the cement man a job and smoothen it out. Wash your windows, change your displays, put up an electric sign, keep your windows illuminated until 11 o'clock at night and, of course, advertise.

THE CHIEF WORRY

Headlight Bill was a colored gentleman of sporting proclivities, who had got his name from a large diamond which he wore as a stud. He had occasion to consult a doctor about a "misey" in his chest.

The medical man eyed the stud keenly. This made Headlight somewhat uneasy.

After asking a number of questions the doctor produced a stethoscope and placed it squarely over the stud. Finishing his examination the doctor looked solemn. So did the patient.

"Ain't it genuwine, doctah?" asked Headlight.—**Pittsburgh Sun.**

CLASSIFIED ADVERTISING

THE other day Newspaperdom said several timely things about classified advertising and because The Republican Press carries a more successful line of classified advertising than almost any small newspaper in the state, what Newspaperdom says is here reproduced. Read it. It is interesting and explains classified advertising very well:

"Classified advertising in newspapers is a study in itself and has very little relation in application, solicitation, or results to display advertising. Many excellent classified mediums are not particularly good display mediums, (in results to advertisers.) The reverse is frequently true, but some newspapers are good media for both. However, one cannot consistently be used as gauge of the other. The effectiveness of classified advertising depends largely upon establishing a habit of thought in a community, however large or small, so that its people will buy a certain newspaper to supply certain wants, no matter what newspaper they ordinarily read. The effectiveness of display advertising depends upon the financial and mental attributes of a newspaper's average reader, upon the product advertised—its usefulness and appeal to the taste and means of a given newspaper's average reader; and to the copy and illustrations of the advertisement itself."

VETERAN HOTELMAN AGAIN IN BUSINESS

Frank Sandelin Takes Over The Palace March First

The first of the month Frank Sandelin will again assume control of The Palace Hotel, after having been a resident of Berkeley for three years past.

Long A Hotel Man

Mr. Sandelin, for more than 31 years has been engaged in the hotel business in Mendocino county. Three years ago Mr. Sandelin sold the furnishings of the hotel to his son, Walter, and J. H. Meyer and, at that time he went to Berkeley were the family resided while the Misses Sandelin were completing their education at the University of California. Mr. Sandelin has a statewide acquaintance and will prove a valuable asset to the hostelry.

To Improve It

Within a short time after Mr. Sandelin assumes charge of the hotel he will begin the renovation of the building on an extensive scale. The rooms will be re-tinted, painted and modernized, new furniture will be added and the lobby beautified. In fact the Palace Hotel will be given a thorough renovating. Mr. Meyer, who retires, will, it is understood, remain in Ukiah and enter some other line of business.

NEWSPAPER WOMAN HERE

Mrs. Ruth Fuller, of Fort Bragg, was in Ukiah during last week. Mrs. Fuller is employed on The Fort Bragg Advocate and is materially assisting in getting out an excellent newspaper.

DIVORCES SOUGHT

UKIAH SENDS LARGE DELEGATION TO CLOVERDALE FAIR

CLOVERDALE CITRUS FAIR
(By Brad)

It's bigger yes, and better than it ever was before, though we've had some famous Citrus Fairs in good old days of yore; but we've kept on growing, climbing, since we made our youthful bow, and the folks that saw us as a kid would scarcely know us now. The Miss Cloverdale who greets you is the same sweet maiden rare, but she's grown so tall and stately that the sun's gold glints her hair; and she bids you hearty welcome to the Fair of Twenty-Four that is bigger, brighter, better than she ever gave before. Oh you golden Orange City of achievement and of fame! You are always up and coming, and you always play the game; so the folks have come to greet you and to see the sunshine glow on the fields and on the orchards where the orange blossoms grow. Here the world is full of glory, here the rose and jasmine twine, here are joy and health and gladness, here the climate is divine; here you needn't sigh for Beulah Land or any golden trail; for you're near enough to Heaven when you get to Cloverdale.

Ukiah shed business cares Saturday and Sunday and went, hundreds strong, to the Citrus Fair at Cloverdale. Saturday was designated as Mendocino Day but Sunday was deserving of the same appelation as those whom duty held fast on the former day were there early and stayed late Sunday. And to all the little Orange city extended a hospitable hand. Mingling with the dancers on Saturday evening were many Ukiah folk and one rubbed elbows with them in every nook and corner of the city. Other parts of the county were well represented, particularly Anderson Valley. The weather was summer-like and the carnival colors of orange and white and green reflected the mood of the weather. The exhibit was artistic beyond description and the best of music and entertainment was provided. A few of the Ukiah folk encountered, in a survey of the pavilion, included Mr. and Mrs. Wm. Bromley, Mrs. Janet Lynch, Mr. and Mrs. J. W. Eversole, Mr. and Mrs. G. P. Anderson, and family, Mr. and Mrs. M. H. Iversen and family, Zelpha Keyoe, Pauline Benjes and Merle Iversen, Mr. and Mrs. Perle Crawford, the Misses Ruby Crawford, Gladys Clark and Virginia Herron, Mrs. Bertha Emery and Grace Emery, Mr. and Mrs. Ben Montgomery, Ruth and Naomi Mason, Mr. and Mrs. B. H. Miller and Miss Bernice Douglas, Mr. and Mrs. Edgar Dutton, Mr. and Mrs. L. L. Hopkins, Mr. and Mrs. Charles Crawford and family, Mr. and Mrs. F. A. Yates, the Misses Laura and Frances Boring, Gladys Bowman, Vivian Green and George Boring and Marcus Gilmore, Wm. Ornbaum, C. S. Myszka, Loren York, George David, Mr. and Mrs. L. E. Crawford and Jack Crawford, Mr. and Mrs. E. B. Gibson, Mr. and Mrs. A. R .O'Brien, Mr. and Mrs. Taylor McGarvey, Mr. and Mrs. D. R. Smith, Mr. and Mrs. Elmer Gibson, Dr. and Mrs. F. E. Rea, and the Misses Margaret Davis and Frances Rea, Mr. and Mrs. Will Duncan and family of Hopland, Frank Sandelin, Mrs. Taylor McGarvey, Dr. and Mrs. Judge and Mrs. J. M. Mannon, Leander Gobbi, Miss Gobbi, Dr. and Mrs. Peterson, Sidney Smith and many others.

P. T. A. TO MEET

The regular meeting of the Ukiah Parent-Teachers' Association will be held Friday afternoon at three o'clock Mrs. M. J. Rowe presiding. An interesting program is being arranged to follow the business meeting and a large attendance is desired.

ENJOYED FAIR

Dr. and Mrs. F. E .Rea and the Misses Frances Rea and Margaret Davis motored to Cloverdale Saturday afternoon to enjoy the many entertaining features of the Citrus Fair. They returned late Sunday evening.

CULTUS CLUB ENJOYS HOSPITALITY OF EVERSOLE HOME

The hospitable home of Mrs. Keith C. Eversole was designated as the meeting place for the regular session of the Cultus Club Tuesday evening and Mrs. Eversole received her guests in a pretty floral setting embodying the mood of spring with the feathery acacia flower and bowls of violets offset by the holiday suggestion of toyon berries in the dining room and enhanced by a glowing open fire to add to the cheeriness of the setting. In the absence of Miss Perry, club president, who was detained at home by illnes in her family, the first vice-president, Mrs. Mary Orr presided. The roll call was current events of a particularly interesting and instructive character. The program numbers included a humorous reading by Miss Mary Graves who chose for her subject Irvin Cobb's famous Post article "Speaking of Operations." Miss Amber Vestal also gave a reading, in this instance choosing O'Henry's story "Ransom of Red Chief" which, like Miss Graves' reading was well received. Later in the evening a two course supper was served at attractively appointed tables. No possibility of adding to the enjoyment of the delightful evening was overlooked by Mrs. Eversole and the supper hour was merry and informal. Guests of the evening included Mrs. Charles Thomas, Mrs. B. B. Conner, Mrs. E. H. Davis and Mrs. E. A. Eversole. At the next meeting of the club, on the evening of Tuesday, March 4, Mrs. J. A. Jamison will receive the club at her handsome new home. The program will include a discussion of "Ukiah Celebrities."

ENTERTAINS NOTABLES

Mrs. R. N. Foster of Cloverdale, formerly of Ukiah, was a delightful luncheon hostess to members and friends attending the Sonoma county development council meeting held in Cloverdale Friday afternoon. The luncheon was given at Mrs. Foster's beautiful home in compliment to her father, Judge F. H. Gibson, who is Cloverdale's representative on the council. Places were set for the following guests: Judge and Mrs. Gibson of Cloverdale; Robert Austin, president of the Redwood Highway Association; J. H. Kirkpatrick, secretary of Ukiah chamber of commerce, and wife; Mr. and Mrs. J. E. Copeland, representing Foster-Kleiser Company; Geo. E. Sanborn, secretary of Healdsburg chamber of commerce; Mr. and Mrs. E. J. Richards, representing Russian River chamber; Mr. and Mrs. Hood of Upper Lake; Mrs. Lucile Drury, secretary of Sebastopol chamber and development council; J. P. Kelly, president of Sebastopol chamber; A. W. Foster, capitalist and a regent of the University of California, and Judge and Mrs. Ross Campbell of Santa Rosa. Mrs. Foster was assisted by her son, Arthur Foster and Mrs. S. R. Sample.

DRAMATIC EVENING

The annual observance of the Saturday Afternoon Club designated in the year book as "Gentlemen's Evening" will be held Saturday evening in the club rooms. The program will be presented by the dramatic section and will include a one-act playlet and selections by the choral section. The hospitality committee will include Mrs. G. W. Stout, Mrs. E .S. Masters, Mrs. Roy Good, Mrs. Clarice Fish and Miss Shirley Perry.

HELD ENDEAVOR RALLY

A delegation of the Christian Endeavors of the Presbyterian church of Santa Rosa came to Ukiah Friday to participate in a social gathering in the evening and hold two rallies Saturday in this city. Ben Hessel, first vice-president, and efficient extension superintendent of the Sonoma county union; Miss Mildred Bucknum, social superintendent; Miss Isabelle Tod, Tenth Legion superintendent, and Miss Vivian Olsen, press representative, made the trip to Ukiah with Mrs. L. C. Olsen, as chaperon.

LOCAL RESIDENTS HOLD SILVER ANNIVERSARY

Marking the 25th anniversary of their marriage Mr. and Mrs. M. A. Sloper of this city were hosts at dinner Sunday at their home in West Perkins street. The table had for a centerpiece a hugh crystal bowl filled with daffodils and ferns, yellow being the colo scheme carried out in the flowers and tulle and candles. Mr. and Mrs. Sloper received their guests at one o'clock and following felicitations dinner was served to the relatives and intimate friends ,many of whom came from other parts of the state to be present. Those for whom covers were laid included Mr. and Mrs. M. A. Sloper, Mr. and Mrs. D. S. Shattuck, Mr. and Mrs. P. C. Crawford, and Miss Bonnie Sloper of Ukiah, Mr. and Mrs. Alfred N. Sund and Billy Ward of Petaluma, Mrs. W. R. Young, Jr., of Berkeley, Mr. and Mrs. H. C. Sloper of Hopland, Mr. and Mrs. W. Acuff of Petaluma, Hattie Lee of Oakland, Mr. and Mrs. Louis W. Pettit of Petaluma, Mrs. Nellie Rogers of Oakland, Mrs. F. Milne of Petaluma, Mr. and Mrs. G. F. Shire of Sebastopol, Mr. and Mrs. E. L. Erwin of Richmond and Mrs. L. M. Henry of Ukiah. Mr. and Mrs. Sloper were the recipients of many handsome gifts of silver and many messages of congratulations. Mr. Sloper's gift to his bride of a quarter of a century was a handsome diamond ring. Both principals in Sunday's happy affair are highly regarded in Ukiah where they have always lived and universal indeed are the good wishes that are extended to them now upon the completion of 25 years of married life and that will go with them to their new home in Palo Alto when they leave here after their daughter, Miss Bonnie, graduates from the local high school in June. Mr. Sloper is already located in Palo Alto where he has been since the first of the year. He came to Ukiah Thursday to be present at the anniversary dinner and returned to Palo Alto Sunday evening.

MANY PLAY BRIDGE

The Saturday Afternoon Club rooms were aglow with lights and spring blossoms yesterday afternoon for the bridge tea at which Mrs. F. E. Bertsch and Mrs. Sam Ray entertained a large number of local matrons beginning at two o'clock. Flowering fruit branches transformed the artistic rooms, by their beauty and fragrance, into a spring-like bower where bridge was enjoyed for several hours. The tea service was carried out in a decoration scheme of lavender with small crystal bowls of violets on every table where a two-course refreshment service was enjoyed following the score awards. Among the guests invited to play bridge in the delightful setting and enjoy the hospitality extended were Mesdames E. B. Gibson, Louis Hildreth, D. R. Smith, A. C. McKenzie, F. E. Rea, S. L. Rea, Wesley Ford, Russel Ford, Earl Ford, Floyd Banker, D. E. McPeak, Keith C. Eversole, E. A. Eversole, Neil Anker, Guy Redwine, M. N. Sloper, P. H. Joseph, F. M. Cunningham, F. E. Gilmore, Orval Tadlock, Hale McCowen, Jr., Lilburn Gibson, G. E. Jamison, B. L. Cleland, G. P. Anderson, A. Perelli-Minetti, E .L. Cunningham, J. A. Jamison, H. L. Preston, H. O. Cleland, Alfred Pioda, J. P. Smith, Taylor McGarvey, Victor McGarvey, P. J. Boring, W. D. L. Held, J. H. Martensen, Benson Edwards, Perle Crawford, H. Holliday, Ernest Hawn, G. W. Stout, J. L. Brown, Grace Emery, Chester Cox, Volney Van Dyke, Elmer Gibson, Robert McGarvey, F. E. Anker, Louis Hofman, Earl Cox, L. H. Foster and Miss Esther Redwine.

DINNER IN ORANGE CITY

Running true to the hospitality traditions with which the Crawford family name has always been associated Mr. and Mrs. L. E. Crawford gathered a group of congenial friends about them Sunday at the Cloverdale Citrus Fair for a dinner party served in Italian style in the orange city. The party assembled a group of eighteen—the list grew and grew as Mr. and Mrs. Crawford greeted their friends in the pavilion—and the affair proved to be the piece de resistance of the entertainment enjoyed by the group of Ukiah folk on pleasure bent at the fair. Dinner was at two o'clock and served in the leisurely fashion peculiar to the Latin races. The many courses offered tempting variety , including raviolias, chicken and turkey, and the utmost informality prevailed. Those who enjoyed the Bohemian affair included Messrs and Mesdames M. H. Iversen, Elmer Gibson, Taylor McGarvey, A. R. O'Brien, E. B. Gibson, D. R. Smith, L. E. Crawford, Dr. and Mrs. F. E. Rea and Messrs Frank Sandelin and Sidney Smith.

ENJOY FAIR DANCE

A large number of the school set were present Saturday evening at the Cloverdale Citrus Fair to enjoy the dance that followed the vaudeville program. Among those who motored down that evening for the event were a party of faculty members including Miss Nell Conrad and W. A. Chessall and members of the school set including the Misses Virginia Barker, Gladys Clark, Virginia Herron, Alice McCracken, Ruby Crawford, Lucile LeBastie, Laura and Frances Boring, Margaret Cox, and Messrs Cyril and Lilburn Vassar, Jack Crawford, La Verne Keyoe, Jack Montgomery, Lloyd Cox, Murdock Roeder, Billy Lawton, Billy Hagans.

NEW YORK·COLORSCOPES

New York City.—Eleanora Duse, great Italian actress, is nearly the most timid guest New York ever had. Usually an incoming personage is met at quarantine by bands of just-hired press agents who help reporters compile complete accounts of the visitor's wearing apparel, appearance and vagaries. But the famous Duse locked herself in her stateroom and refused to come out until she had been assured that all the writing tribe had been driven away.

When Morris Gest, the manager who brought her over, importuned her for a single word, she cried and had to be soothed like a child.

At the Century Theatre, where she is playing, a curtained automobile draws up to the stage door for her when she is ready to leave after a performance. When she goes on tour she will be carried through the stations of each city in a sedan chair, veiled in silk. Recently an organization offered her five thousand dollars just to speak three sentences. She refused, horror-stricken at the idea.

Her friends say she does not mean to be ungracious and is really sincere in her dread of people and noise. Her enemies say her reluctance is a pose. The neutrals—mostly, mere newspaper readers—assert that her reticence gets more publicity for her than her art ever would!

When all the world comes to town to watch Mr. Florenz Ziegfeld glorify the American girl this year, it finds that having exhausted the possibilities of pulchritude, Mr. Ziegfeld seems to have taken to new idols. It is said, indeed, that within the next ten years he is going to have the most expensive and the most irresistible collection of music the world has ever known.

As a start he has gathered up Paul Whiteman, who, the Prince of Wales claims is the best dance orchestra conductor in the world. And anybody who hears the traditional "deafening" applause that greets the Whiteman aggregation's spirited rendition of "Mamma Loves Papa," is left in no doubt of the ultimate success of Mr. Ziegfeld's new project.

Probably Baby Peggy and Jackie Coogan were no prouder when they first glimpsed themselves in the "pitchers" than were a certain six-year-old Lewie and seven-year-old Tessie of the East side when they saw a preview of themselves in the movies the other day. Others in the picture with Tessie, whose legs will never be straight in this life, and Lewie, whose right arm is off at the shoulder, were Molly, whose back is twisted, Jennie, who walks with crutches, and Joseph, who has to be wheeled. Many others who can never run and play were also there.

The pictures were taken under the direction of Uncle Robert, mysterious fairy godfather and adopted relative of all handicapped children. This good man has a last name but says he is so used to Uncle Robert that he has almost forgotten the rest himself. He is always giving surprises to little cripples and orphans but this movie party was the most successful function he ever staged.

After the preview, there was music, with the children, even small Bobby, who not long ago was found in a basement with only a piece of plaster for a toy, merrily singing Al Jolson's newest song hit, "Arcady," a favorite that Uncle Robert has taught them. Then came peanuts, popcorn and lollypops, and the famished, pain-racked faces lighted with complete happiness as the children encircled their every-day Santa Claus.

"You see they have forgotten for a little while the legs that do not walk and the backs that ache even when they sleep," Uncle Robert said quietly.

Even the ponies have taken to jazz. This year, officials of the National Horse Show Association made experiments at Belmont Park and Piping Rock to find out what music put race horses in spryest mettle. Opera, classics, ballads and jazz were all tried, but syncopation seemed to be the only effective equine bracer. The season's blue riboners pranced through most of their paces to the tune of Broadway's newest fox trot, "Sun-Uv-Er-Gun." In fact, so pronounced was the preference of the horses for this tune that superstitious owners staged a real scramble to be the first to register "Sun-Uv-Er-Gun" as the name of prospective prize winning fillies.

I saw a ten million-year-old egg the other day. Incidentally, I was the first person in New York to have that honor. It happened at the Museum of Natural History. I had gone there to interview Roy Chapman Andrews, famous explorer, who has just come back from discovering the Garden of Eden in the Gobi desert. Among the treasures he has brought with him are twenty-five dinosaur eggs. When I arrived, Mr. Andrews had just gotten the eggs from the customs' house and was keeping them under lock and key. He agreed that I should have just one peep and brought out the treasures. They were packed in cotton-wool as carefully as if they had been diamonds and looked like eliptical brown rocks about the size of turkeys' eggs, with ossified shells. I held one of the antiques in my hand. "It's worth its weight in gold," Mr. Andrews told me, "and helps to prove that we are descended from monkeys."

As for that, any housewife will tell you that plain hens' eggs here now are worth their weight in copper. At least, they sell for $1.25 a dozen!

Everybody is trying to get either thin or fat these days. A favorite Manhattan method that works either way is walking around the reservoir in Central Park. The distance is a mile and a half and there is a steady stream of experimentors day and night. Some women wheel their baby carriages and do their daily dozen at the same time. All sorts of costumes, from track suits to afternoon gowns, are on display. There is a certain fellowship in the exercising that makes those who pass in the parade hail each other jovially. Rumor even hints that the reservoir has made matches, but if it has, its waters keep the secret safe under unconcerned ripples and the fat and the thin trot steadily on.

Ukiah folks are asked to leave care behind when they enter the portals of the school auditorium for the leap-year dance on Friday evening. The Junior band is arranging the details of the dance which is to be a benefit for the Ukiah band fund. In other words the money will be used in the cause of music—could anything be more deserving of the support of the Ukiah public? A four-piece orchestra will furnish the jazziest of jazz music. The personnel of the orchestra includes Miss Laura Moffit at the piano, Normy Graham on the banjo, Edward Lambert with the saxaphone and Jimmy Holland at the drums. The auditorium will be handsomely decorated and the debs of the community will wear their prettiest gowns. Moonlight effects will feature the leap year numbers, so in addition to giving Ukiah folk something to enliven life the Junior band is helping where help is needed.

EMPLOYES ARE HOSTS

Many and varied were the expressions of appreciation and praise extended to the employes of the Mendocino state hospital following the delightful dancing party given by them Friday evening in the auditorium of the institution. The Redwood Highway orchestra furnished the most entrancing dance music heard here recently and the utmost good fellowship prevailed. Invitations to these dances have always been eagerly sought and after the success of last Friday's affair the privilege and pleasure of attending will be even more delightfully anticipated.

BRIDGE LUNCHEON

The C. M. Fulkerson home in North Spring street was the scene of a very pretty party on Washington's birthday when Mrs. Fulkerson received the members of her bridge club at a one o'clock luncheon followed by bridge. Holiday suggestions were carried out in the place and score cards which were hand-decorated in hatchets and cherry tree branches. The table decoration was a miniature cherry tree, hung with scarlet fruit arranged from a bed of moss in the center of the table. The favor at bridge was won by Mrs. F. E. Rea. The entire club membership was present to enjoy the delightful afternoon.

KOSMOS CLUB

In keeping with a custom established several years ago the Kosmos Club will enjoy a Colonial period program at its regular session Thursday afternoon. The meeting will be called promptly at two o'clock at the home of Mrs. E Sanford on the Vichy Spring road. Mrs. Harriet Deering will be in the chair for the business meeting. Mrs. W. S. Van Dyke is in charge of the program features. The hospitality committee will include Mrs. Sanford, Mrs. T. J. Williams, Mrs. E. H. Smith and Mrs. Los Morby. The ladies will receive in the garb of the period.

HOSTS AT DANCE

Murdock Roeder, Billy Hagans and Lloyd Cox, three of the popular members of the high school set, will be hosts Friday evening to their friends at a dance to be held in the ballroom of the I. O. O. F. hall. This form of entertainment has become quite popular with the younger social set and there is much pleasaant anticipation as a result of the issuance of invitations this week.

VISITS OLD FRIENDS

Miss Genevieve Kelton of Oakland, former resident of Ukiah, was here last week for a visit at the home of Mr. and Mrs. B. S. Hirsch. Miss Kelton and Mrs. Eva Schlessinger, daughter of Mr. and Mrs. Hirsch who is here from Boston for a visit, were school friends so the visit was made doubly enjoyable for the three ladies.

COAL

If you believe that COAL is a product that people have to have—

THEN CONSIDER THAT:

1. California's only deposit of bituminous coal is being developed on the land of W. P. Thomas of Ukiah.
2. The State Bureau of Mines pronounce this coal equal to any shipped into the State and of a quality to compete with coal shipped in from anywhere.
3. Our development strongly warrants the belief that the W. P. Thomas property will produce at least 100,000 tons annually for 50 years.

Analyze This Profit Schedule

Minimum Average Profit of coal per ton at the mine	ONE DOLLAR
Freight rate on coal from Utah—California's nearest source of supply	SIX DOLLARS
Freight rate on coal from Mendocino County to Bay region where over 300,000 tons are used per year	TWO DOLLARS

WEST SHIPS RECORD FREIGHT TONNAGE OVER S. P. LINES

Traffic Handled Without Congestion By Increased Railroad Efficiency

LOADING INDICATES WESTERN PROSPERITY

Cars Loaded in 1923 Would Make Train 8,600 Miles Long; Would Encircle United States

Western shippers loaded 1,050,906 cars of freight on Southern Pacific's Pacific System lines in 1923, an increase of almost 200,000 cars over the loading for 1922, which was 851,942 cars.

The 1923 loading, according to J. H. Dyer, general manager of the company, was the heaviest in the history of the company.

If all the freight cars loaded on the company's Pacific System in 1923 were coupled up with the locomotives necessary to move them and with a proportionate number of cabooses, they would make a train 8,600 miles in length—long enough to extend around the United States from Portland, Oregon, through Chicago, Buffalo, New York, Washington, New Orleans, Los Angeles, San Francisco and back to Portland, with about 400 miles of cars left over.

The figures cited give some idea of the prosperity and productiveness of the western states, for these cars were loaded in the states of Oregon, California, Nevada, Utah, Arizona and New Mexico. The size of the imaginary train also gives an idea of the enormous task performed by the Southern Pacific Company in handling this traffic, which was moved quickly and efficiently, without congestion or general car shortage.

Southern Pacific, as one of the leading railroad systems of the country, has had a consistently good record in operating efficiency, extending over a period of years, but despite this fact, Southern Pacific's 1923 performance in heavy car loading, in obtaining a high daily mileage of freight cars, and in keeping locomotives and cars in repair, w - uniformly better than in previous years.

Campaign Planned

When it became apparent that 1923 would be a year of unusually heavy traffic, the railroads joined in a campaign to speed up transportation. They set definite high standards of operating efficiency as a goal for the individual roads to reach. These standards were: 30 tons of freight per car loaded; 30 miles per car per day; 85 per cent of locomotives in serviceable condition and not requiring heavy repairs by October 1, the start of the season of heaviest traffic; and 95 per cent of freight cars in serviceable condition, by October 1.

Southern Pacific bettered these standards in every instance except in the average carload, and its performance in this respect was a remarkably good one and not to be measured by the goal set for all the railroads, because of Southern Pacific's large tonnage of light loading, perishable products, a full car of which averages about fourteen tons.

The average tonnage per car loaded in 1923 was 27.5 tons which was an increase of seven tenths of a ton over the excellent record made in 1922.

The company made its freight cars travel twelve miles farther each day than the goal set for the railroads as a whole, getting an aver-- daily mileage per car of forty-two miles. In one month, an average of 47.3 miles per car per day was obtained. The average for 1922 was 36.8 miles.

Equipment in Repair

Southern Pacific, during 1923, averaged 88.5 per cent for the number of locomotives in serviceable condition and not needing heavy repairs as compared with a percentage of 86.5 in 1922. In only one month did the company have less than 85 per cent of its locomotives in serviceable condition, the goal set by the railroads as a whole for October 1. In only three months did the company have less than 95 per cent of freight cars in serviceable condition, the national goal by October 1. The average for the year was 95.4 per cent as compared with 93.65 per cent in 1922.

Another improvement in performance was in the gross locomotive load, which averaged 3 per cent better in 1923 than in 1922. This means that each locomotive was made to haul a heavier load.

While there was a shortage of refrigerator cars during the peak of the grape shipping season, it did not approach in extent the shortage of 1922 and did not appear until a greater tonnage of grapes had been shipped up to that time than in any previous year.

The same effort for increased efficiency is being made in 1924, according to Southern Pacific officials, and improvements and additions are being steadily made over the system. More equipment, including new locomotives and cars of the finest design, are being received, and more are being ordered.

J. H. EVERDING SENTENCED TO FOLSOM PRISON

Highwayman Given 5 Years To Life By Court

BROTHER ASKS PAROLE

District Attorney Says Youthful Desperado Offended Before

It has been a long time, perhaps the Everding case was the first instance, where a prisoner was sentenced by a Mendocino county court to begin serving a term in Folsom penitentiary. Ordinarily men convicted here are first offenders, hence are sent to San Quentin, but in the case of J. H. Everding, the elder of the two brothers who robbed the Willits Mercantile Co. store and afterwards held up C. H. Wheeler, of this city, robbing him of a check for $125.00; a watch and his automobile, the court took recognition of the fact the convicted man had served one term for highway robbery and ordered him delivered to the warden at Folsom and Deputy Sheriff Dryer took the prisoner to the penal institution.

Younger Man Asks A Chance

Wallace Everding, also implicated in both crimes with his older brother, asked for probation, but no action has yet been had on his application. The district attorney's office claims Everding has a bad record, having passed worthless checks at Santa Barbara some time ago. He will be kept in the county jail until the return of Judge H. L. Preston. Wallace Everding claims he is but 19 years of age and officers are tracing his birth certificate to ascertain just what his correct age is.

Sick for Ten Years
Gained 60 Pounds by Use of PE-RU-NA
Read This

Mr. John Wick

No matter how long you have been sick or how much you have suffered, you must not give up hope. Mr. John Wick, of Monomonee Falls, Wisconsin, did not and is a well man today. In September, 1918, he wrote: "I have been a user of Pe-ru-na for nearly twenty years. I had catarrh of the stomach for ten years. Nothing did me any good. I grew worse until a friend advised me to try Pe-ru-na. While using the first bottle, I felt I had found the right medicine. I am entirely cured. My weight was down to 135 pounds and now I weigh 195 pounds. I have used very little medicine for the last ten years."

The condition known as catarrhal is not confined to the nose and throat. It may be found wherever there are mucous membrances and is responsible for a multitude of troubles. Coughs and colds are catarrhal as well as stomach and bowel disorders.

Do as John Wick did. Keep Peru-na in the house. It stimulates digestion, aids in throwing off the poisonous secretions, enriches the blood, increases the resistance to disease and promotes good health generally.

Insist upon having genuine Peru-na in either tablet or liquid form. Your dealer has it.

GOT THEM BACK

Tuesday Manager Foss, of the Standard Oil Co. lost a bunch of keys—ones he could not get along without—and he, naturally, telephoned to The Press to put in a lost ad. The next day the keys were returned to Mr. Foss, having been brought to The Press office by Nelson Requa. It has gotten so now that, when an article is lost, almost invariably it is brought to The Press office by the finder, or, if the finder happens to live in the country, he watches The Press classified and when the article is advertised for, brings it in to be returned. The effectiveness of recovering lost articles, however, is not exceeded by the uniformly good results obtained in the for sale, for rent and wanted departments.

Attorney M. H. Iversen returned last evening from San Francisco where he went as a member of the executive committee of the State Coolidge for President Club.

Your Question And Its Answer

QUESTION—"I am subject to spells of listlessness, poor appetite, nausea, dull headache over the temples, skin yellow, urine dark, and aching across the back. Do you think I have Kidney Trouble?"

ANSWER—Your symptoms point to spinal impingement of nerves supplying the liver and kidneys. The yellow skin and dark urine indicate bile impingement. Bile is normally found in the liver and intestinal tract, but due to impinged nerves, it is often damned back into the liver and must find an outlet through other tissues. It then becomes a poison and produces a general condition of "sick all over." The kidneys will attempt to throw off this poison, but if the nerves supplying the kidneys are impinged, these organs of elimination cannot function properly. An examination of your spine will readily and positively tell the seat of your trouble. You should have a thorough Spinal Analysis.

Questions of this nature will be answered, in the order received, if addressed to

"SAFETY LAST" HAS NOTHING BUT LAUGHS

Harold Lloyd Funnier Than Ever In His Latest Picture

A Thrill-A-Minute, Laugh-A-Second Comedy!

All that and more is promised in "Safety Last." The feature comedy that is based on a firm foundation, just as the twelve story building that Harold Lloyd climbs is built on a firm foundation. The comedy and the building would both have to be—for the gales of laughter that Harold turns loose are enough to rock either.

One Long Laugh

It is wasting space to mention the popularity of Harold Lloyd, for Popularity and Harold Lloyd mean the same thing. As for "Safety Last," ask anyone the meaning of the two words—a bank president, an insurance official, a policeman, a razor-blade salesman, a flagman at a railroad crossing, or a dynamiter. Harold Lloyd in "Safety Last" is the Laugh Dynamiter of the Age. He causes rusty laugh glands and frozen faces to blow up and set off Bombs of Mirth for miles around. He attaches an infectious fuse of joy to the diaphragm and he doesn't have to wait long for the explosion. It is inevitable.

Put the outstanding thrills of all the serials ever produced together and they would probably—end to end—reach from the Atlantic to the Pacific but they would not give such hair-raising moments of hilarious thrills as are contained in "Safety Last."

C. M. Mannen has been in San Francisco since the first of the week, being a delegate to the state republican convention at San Francisco.

Mrs. Austin Lowe was in Ukiah the last of the week from her Potter Valley home on a shopping mission.

WOOL PRICE HIGH

The sheep men and wool gatherers of Cloverdale and Boonville sections are feeling fine these days. They have just sold the remaining half of the spring clip of 1923, which had been stored at the big warehouse at Cloverdale for almost a year. Several hundred bags of wool have just been purchased and the price paid was said to have been 43½ cents per pound. Like the hop growers who like to speculate a bit, the wool growers are said to have realized 55 cents a pound at clipping time and sold half of the wool, keeping the other half to speculate with, and naturally hoping that the price would ascend. It did not, however, but even so the wool men realized a good price.

P. W. Handy motored to San Francisco with the Henry Hopper party Friday to visit the automobile show. They returned home Sunday.

Mr. and Mrs. Robert Austin motored to Cloverdale Friday to visit the Citrus Fair. They were accompanied by A. B. Cooper of San Francisco, who enjoyed a week-end visit with them that included a motor trip to the Point Arena coast.

DANGER IN DELAY

Kidney Diseases Are Too Dangerous For Ukiah People to Neglect

The great danger of kidney troubles is that they so often get a firm hold before the sufferer recognizes them. Health will be gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, gravel and Bright's disease may follow as the kidneys get worse. Don't neglect your kidneys. Help the kidneys with Doan's Pills, which are so strongly recommended right here in Ukiah. Ask your neighbor!

Mrs. R. Grant, 358 E. Perkins St., Ukiah, says: "Doan's Pills have certainly done me a lot of good and I am glad to recommend them. My back ached and pained considerably and I felt run down and tired easily. My kidneys acted irregularly, but Doan's Pills have always relieved me of these attacks and strengthened my back and kidneys. I know they are worthy of a trial by anyone having kidney troubles."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Grant had. Foster-Milburn Co., Mrs., Buffalo, N. Y.

HAVE NEW PAIGE

Mr. and Mrs. P. H. Joseph returned home Sunday from San Francisco driving a new enclosed Paige car. They were accompanied by their family. The party stopped over in Cloverdale for a visit at the Citrus Fair.

Mrs. Wayne Crawford returned Sunday evening from Santa Rosa where she went recently to get acquainted with the new baby in the home of Mr. and Mrs. Earl Goforth.

Miss Lucile Cleland and a school friend were here from Oakland for the Colonial holiday. They returned home Sunday.

Mr. and Mrs. R. H. Douglas and daughter, Miss Dorothy Douglas of Berkeley, were week-end guests in the home of Mr. and Mrs. B. H. Miller.

Mrs. Marlin Mitchell of San Francisco, who has been a guest in the Charles Barrick home for several weeks, returned home Saturday.

Van Whitney, brother of Mrs. A. Perelli-Minetti, was a hurried visitor in Ukiah from his Healdsburg home the first of the week.

ATTENTION CATTLEMEN!

A meeting of the Mendocino County Branch of the C. C. A. will be held in Willits, Wednesday, March 5th, at the Willits Hotel at 1:30 P. M.

This meeting is of the utmost importance to all cattlemen in the county.

Secretary Hagen of the C. C. A. will be present to discuss the Co-operative Marketing Plan in its fullest detail.

The proposal of testing range cattle for tuberculosis and making Mendocino county a free area, will be decided at this meeting. Be sure to attend this meeting as this proposal is of vital importance to every cattle raiser.
